General Information

Middletown Area Transit (MAT) is a quasi-municipal agency funded by the Federal Transportation Administration, the Connecticut Department of Transportation, and the City of Middletown. MAT provides Fixed Route, ADA Dial-A-Ride and Rural Transportation serving the towns of Middletown, Middlefield, East Hampton, Portland, Durham and parts of Cromwell and Meriden.

MAT provides direct service to AMTRAK as well as CT Rail, and the Westfield Shopping Mall in Meriden on Saturdays only.

Connections are available to Higganum, Chester, Essex, and Old Saybrook via 9 Town Transit. In addition, connections are available to Wethersfield, Rocky Hill, Hartford, and New Haven via CT Transit.

General Rules

Passenger Conduct

MAT reserves the right to deny bus service to anyone who habitually abuses the service; whose conduct on board vehicles interferes with the safe operation of the vehicle; who disrupts vehicle scheduling; who behaves in a way that is offensive to other passengers and interferes with and/or disturbs the operations of the vehicle, or otherwise violates MAT policies.

Specific passenger activities prohibited on MAT vehicles include:

- Engaging in illegal activity.
- Smoking or using electronic cigarettes, carrying a lighted cigar, cigarette, cigarillo or pipe, use of any spark, flame match or fire producing device.
- Possession of open containers of alcohol or other liquids.
- Consumption of food or drink.
- Littering.
- Playing of audio or video devices without earphones.
- Entering or riding a vehicle while intoxicated or under the influence of illegal drugs.
- Lack of shirt or shoes, or clothing in a condition objectionable to other passengers.
- Carrying automotive batteries or corrosive materials
- Carrying gasoline, kerosene or other flammable liquids.
- Carrying weapons, firearms or explosives.
- Obstructing, jumping from, or riding upon the steps of a MAT vehicle while the vehicle is in motion.
- Defacing or damaging MAT property.

For Your Protection

MAT buses and vans are equipped with security cameras to include video and audio.

Animals

No animals, (other than service animals) are allowed on the bus. Service animals provide assistance to people with disabilities.

Alerts

During periods when severe weather and road conditions exist, it may become necessary for MAT to curtail or suspend service. Some routes may have to detour due to steep and slippery conditions. Monitor local TV stations and MAT's website for cancellations.

Fixed Route

How to Ride the Bus

If you are not familiar with our routes and schedules, call our customer service office at 860 346-0212 and tell us where you live and where you want to go. We will plan your trip for you. Our timetable is color coordinated for your convenience.

To get to your destination, simply match the color of the route with the color of the map.

Please have exact change. Drivers cannot make change. Please no Susan B. Anthony coins.

The MAT buses operate on a flag stop basis. There are no designated bus stops and the bus will stop anywhere its safe to do so. Exception: MLINK Route has No-Stop zones due to time constraints.

Simply wave vigorously as the bus approaches.

Do not wait on a curve, near an intersection, on a bridge, or by a guard rail. Buses cannot block a road.

Please be on the same side of the road as the bus. The bus cannot wait for you to cross the street due to safety reasons. Drivers have the right to deem a stop safe or unsafe for pickup/drop off.

Times on the schedule are approximate – please plan accordingly.

Connections to other buses cannot always be maintained. Buses will not be held for late arriving buses.

MAT is not responsible for lost articles left on buses.

Limit bags, groceries, personal items, to what you can carry on when you board. Items cannot take up seats. Keep items in your lap or on the floor by your feet. Keep the aisle clear.

Once the buses pull away from the terminal parking stalls, passenger boarding is prohibited.

Passenger Seating

Seats located in the front of the bus are reserved for the elderly and/or physically disabled riders. Please vacate upon request.

For your safety, please remain in your seats while the bus is in motion. Wait for the bus to come to a complete stop before getting up from your seat.

Transfers

Transfers are issued free of charge when requested by the passengers upon boarding. Your transfer must be used for the next scheduled connection (based upon the time marked on the transfer) at the first point where the routes intersect.

MAT Bus Passes

MAT drivers must be shown your bus pass each time you board the bus.

Boarding with a Wheelchair

Our buses are equipped with wheelchair lifts or ramps that can be used by any passenger with a wheelchair, walker, crutches or other mobility aid. The driver will instruct you on the procedures for loading and tie down.

Carriages/Baby Strollers

Carriages and strollers must be folded up before boarding the bus:

Shopping Carts

All shopping carts must be unloaded and folded up before boarding the bus. All bags and folded cart must be able to be secured in your lap or on the floor by your feet. Keep the aisle clear.

Rack n' Ride Safety

For a safe and secure trip when you bring your bike on a MAT bus, please follow these procedures:

- Tell the driver when you plan to load or unload your bike. The driver may not see you standing in front of the bus and pull away from the curb.
- Always load your bike from the curbside of the bus. The driver may not see you if you approach and load from the bus' left side.
- Always load your bike in the outside slot if it is empty.
- For security, you may want to lock the tire on your bike before loading. MAT is not responsible for stolen bikes. Try to sit up front to watch your bike.
- For safety reasons, the driver is not allowed to help you load or unload your bike.
- Bikes may be loaded and unloaded at any area deemed safe.
- Bikers are responsible for properly securing their bikes to the rack. The driver will not move the bus until bikes are safely secured.
- Motorized bikes are not allowed. This includes electric bikes.
- Bikes with child seats, large carriers or other attachments considered hazardous are not allowed.

The user of the bicycle rack assumes all responsibility and all risks with respect to the use of the bicycle rack and any consequences which may result from said use, including but not limited to physical injuries and/or damages to personal property.

MAT is not responsible for the functioning or functionality of bicycle rack equipment and assumes no liability for any physical injuries and/or property damages which may result from any defect, patent, within or upon the said bicycle rack.

ADA/Dial-A-Ride

In accordance with the Americans With Disabilities Act of 1990, MAT provides paratransit (curb-to-curb) bus service to eligible individuals with disabilities that is similar to the level of service provided to individuals without disabilities who use the fixed route bus system. Service is provided Monday through Saturday. Individuals must apply and be accepted into the system.

MAT also provides curb-to-curb transportation service for Elderly, outside of the ¾ mile fixed route service area.

Appointments for transportation must be made one day in advance.

The fare for ADA/Dial-A-Ride service is \$3.50 one-way.

Please call 860 346-0212, or access our website www.middletownareatransit.org for more information.
